

For the past several years Victory Ridge Academy has partnered with Polk County School Board to provide student transportation.

Due to circumstances beyond our control, beginning in August 2020, PCSB will no longer be transporting VRA students. Through Victory Ridge Charitable Fund's Wheels on the Bus Campaign, our goal is to raise \$800,000 to acquire and operate 8 school buses over the course the 2020-21 school year.

At Victory Ridge Academy, we serve over 270 special needs students (with a waiting list) from both Polk and Highlands counties. Without this funding, two-thirds of our students with special needs may no longer be able to attend our school to receive the specialized education and therapy that they need.

Please consider donating to VRCF's Wheels on the Bus Campaign. This is one of the largest fundraisers that our charitable fund has ever undertaken and is critical to the future of our school.
